PLEASE SEND US THESE FORMS BEFORE MAY 15

Information Questionnaire about Your Child

To help ensure that your child gets the best camp experience possible, we will be asking you to complete a camper questionnaire. This gives you the opportunity to brief us on everything and anything you feel will better equip us to meet your goals and expectations for your child's summer and it will also help us know more about your child. The questionnaire will ask many of the following questions:

1. Is this your child's first time away from home?
2. To what extent is s/he accustomed to being away from family or parents?
3. Please list your child's strongest and weakest qualities?
4. Does your child have any unusual fears? If yes, please let us know about them
5. What should we look for in unusual attitudes or behavioral patterns (i.e. peer difficulties, temper tantrums, sensitivity, shyness, bedwetting, sleepwalking, etc.)?

You may also want to use the form as an opportunity to talk to your child about goals for the summer, activities they want to pursue, things they want to achieve, etc. The more we know about our campers in advance the better. These questionnaires should be sent to us well in advance of the campers' arrival.

ACTIVITIES AT TAMAKWA

Use this list as a guide for discussion with your camper(s). If we know what to look for, it will help us establish goals that are within your child's reach. We can only make this the best possible summer for your child if we know what yours and their expectations are.

We will go over the questionnaires with your camper's counselors before the start of camp. These questionnaires give valuable information to our counselors. Please do not delay filling out this form as it's very important for our counselors to have a glimpse of their cabin group dynamics before arrival day. They can make a huge difference in your child's summer experience.

REMEMBER; mail all forms to us well in advance of your child's arrival at camp.

Camper Registration Information Checklist

You will receive a "Camper Registration Information Checklist" which we will ask you to review, make corrections if need be, and return to our Toronto or Michigan office. This form lists your camper's registration dates as well as transportation arrangements. When you do get it, please return that form ASAP. It is critical for making our transportation plans.

Vegetarian Sign-Up Form - 2 Veggie Options Available

Tamakwa feels a responsibility to reasonably accommodate campers and staff who require a vegetarian diet. A vegetarian dish will be available for every meal for only those with parental consent. A Vegetarian Sign-Up form for each camper is enclosed with this manual. If your child requires a vegetarian diet, return that form to us as soon as you get it. Tamakwa offers 2 veggie options: chicken only or full veggie. Those who choose the chicken only option will be served the regular camp meal when chicken is served and NOT the alternate vegetarian option. Campers signing up for this option will only be given a vegetarian meal when beef or fish is served. In order for Camp to purchase and prepare sufficient quantities, no alternating between the regular menu items and vegetarian dishes is allowed. It's one or the other. **Campers who sign-up for the FULL vegetarian diet CANNOT eat regular menu items including beef, fish or chicken; they are strictly vegetarian for the summer.** Remember, NO CHILD WILL BE PERMITTED THE VEGETARIAN DIET WITHOUT PARENT'S WRITTEN PERMISSION.

Parent Workshop Form

You can help us counsel our counselors. During our pre-camp staff orientation, we conduct a week of sessions on effective counseling techniques from pro-active positive role modeling to trouble-shooting problems in the cabin group. We pose scenarios that actually arise in the course of camp life such as homesickness, bullying, scapegoating, & exclusion...just to name a few. We invite you to be our partners in this orientation by letting our counselors know specifically what parents expect. We will be sending you a "Parent Workshop Form" to solicit your input of actual scenarios you have heard about, or more general concerns about your child's interaction in a group setting.
